Within the covers of this book lies a year of our lives, carefully preserved in pictures and description. At present, to remember yesterday's happenings is not difficult; our deeds are within our memory's reach. The activities recorded here are still so immediate that they deny the definition of "memories." Yet soon the power of recall will fail; the year 1962 will be no longer the "moment ago" but the

"time when." To attempt to retrace one's steps will be fruitless. Countless times will the dusty brick walls of Dundee High School—like a timeless senate-house with an ever-changing scene of faces, paving the way for the progress of a nation—have spewed forth one-third of the souls within to spread its tide of humanity in puddles over the face of the earth. Countless times will the students, the faculty,

the building itself have changed. In such a tangle of yarn it would be impossible to discern one single thread of memory. At that moment, when the muddled past dims the enjoyment of the present, it may be helpful to open this book—to relive "old times" and to renew old acquaintances. For of such things are yearbooks made . . .

Administration And Faculty

Behind every good school may be found an efficient controlling body of sincere workers, and Dundee's administration is no exception, as the high standard of smooth operation shows.

Behind every successful student there lies the skill and care of dedicated teachers, and in him one may discover a little of the character and calibre of his former instructors. Graduates can proudly reflect with clarity the faculty of Dundee High—showing in both scholastic results and in personal qualities the fine standards to which they have aspired.

A truly diligent, unselfish approach to all their work enables the members of this administration-faculty combination to set and maintain the tone of D.C.H.S. Kindly and very real concern for the recreation of students results in sponsorship and encouragement of so many extra-curricular activities—games, dances, excursions, Mardi Gras—indeed, this year produced some decided innovations into the roles of teachers when we saw faculty cheerleaders, Mr. Whamond judging the quality of cheering, and Mr. Monahan twisting, to name but a few.

In these pages, we express our heartfelt thanks and we salute the wonderful group who obviously feel no less proud than the students to join in singing, "On there Dundee, honor your name."

Activities

The halls fairly rang with the excitement of the social season at Dundee High School.

The Domino Dance, sponsored by the Art Club, was the first social activity to get underway at DCHS. The costumes worn by the students, greatly enhanced the festive evening. The hilarious antics of Mr. Moyl will always be remembered by those who attended.

October 21st was an exciting day at Dundee, even though the weather was a little damp. A gaily decorated parade in which the three classes and organizations at the school competed for a plaque for the best float made a gallant procession through town. "Cards trample the Z-B's 19-7!" This wonderful news set the high-spirited students in the mood for "Harbor Lights," the title of this year's Homecoming Dance. The highlight of the evening was the crowning of Rhonda Anderson as Homecoming Queen and Ed Conroy as Homecoming King. The Queen's court consisted of Joyce Moehling, Senior Attendant, Carol Richards, Junior Attendant, and Mary Schroeder, representing the Sophomore Class.

The Diary of Anne Frank began the year's drama season as a highly talented cast gave a thrilling performance before a well-filled auditorium. The play, directed by Mr. Brown, was expertly acted, staged, and lighted. **The Inspector General**, directed by Mr. Anglin, was also a tremendous hit at Dundee. To end the year's drama season, three one act plays were given in April. **Sorry Wrong Number**, a mystery, **Riders to the Sea**, pure drama, and **Ladies of the Mop**, a comedy, added much variety to the stage and much enjoyment to the audience.

The Christmas Dance, sponsored by the Senior Class, climaxed a week of pre-season activities which included caroling by some of the clubs and a Christmas Concert put on by the Music Department.

The A.F.S. was assured of another successful year as the Student Council and the entire student body combined efforts to raise over two thousand dollars.

"Castle of Dreams" was the theme of this year's Prom, sponsored by the Junior Class. The decorations surpassed all other decorations used in previous Proms.

The social whirl at Dundee has been exciting and fun-filled this past year. As the spirit of the school increases, these activities will be even more fun.

The 1962 Homecoming

The 1962 Homecoming, held on October 21, was one of the most exciting events of the year. The big day started off at 9:00 a.m. with the parade going through Dundee and ending at Spain Field. Each class and the various clubs entered the float competition. The Shutterbugs, the camera club, walked off with first place for a serious float; the Senior Class won the "comical float" competition.

Then came the main attraction—the game. The Cardinals, despite the muddy field, beat the Z.B.'s by a score of 19-6.

The Homecoming dance, whose theme was "Harbor Lights," was the perfect ending to a memorable day. Rhonda Anderson and Ed Conroy were crowned Homecoming queen and king. Joyce Moehling was senior attendant, Carol Richards the junior attendant, and Mary Schroeder the sophomore attendant.

Victorious smiles and high spirits predestined the Homecoming Dance to immediate success. All enjoyed themselves immensely; jubilancy was the order of the day.

Christmas Dance

This year's Christmas dance, sponsored by the senior class, was held on December 23. With the theme of "Christmas Dream," the gym was transformed into a Yuletide wonderland. Typical of the unique decorations was the Christmas card mural. Music for the evening was furnished by the LaRoy Quintet; Sally Brown provided the entertainment. This wonderful prelude to the holidays was enjoyed by all.

Assemblies

The many memorable assemblies of 1961-62 ranged from special programs sponsored by the Student Council to scholastic and sports awards and pep rallies. Who can forget the two girls who "walked" around the world and had so many interesting and unusual experiences, the pianist who played so many modern and classic favorites,

Who will not always remember Lorraine Hutchinson's views on America, Susi Simpson's impressions of Sicily, or the exchange student meeting with its diversified tones and the realization that people of other nations think we're all tall and blonde? These and many other assemblies throughout the year widened our horizons.

Mardi Gras

After many months of planning, the student council and entire student body displayed their ability to work together cooperatively by raising over two thousand dollars at the annual Mardi Gras. Many new and different ideas for booths were introduced this year. Some of these were: the slave auction, in which Mr. Anglin was purchased by a lucky student, a puppy raffle, and the 7-up game. Miss Keeler's homeroom raised three-hundred and seventy-five dollars, thus establishing a new record and winning the gold plaque.

At the dance, Jackie Christensen and her date won the prize for the best costumed couple, coming as clowns. A French waitress named Linda Silva won the best single costume prize.

Sarge Farber, Allan Barry, Karen Lathrop, Rhonda Anderson, Marilou Holford, Student Council screening committee, play an important role in obtaining the best leadership possible.

Student Council

The Student Council serves as a planning committee for the various social functions throughout the year. It arranges assembly programs, underwrites the expenses of the citizenship and scholastic honor programs, and appropriates money for worthwhile school projects, such as the stage improvements. Perhaps its most important duty is the sponsorship of the foreign exchange program, an important factor in bettering foreign relations. The intrinsic qualities of a Student Council—popular elections, campaigns for office, a representative form of government—enable Dundee students to experience something of the workings and problems of a democracy.

President Joe Cervantes listens to discussion of an important problem.

The AFS committee consists of: **standing from left to right:** Mike Otto, Lorraine Hutchinson, Mike Bolier, Kirk MacKay, and Dennis Batt. **Seated are, left to right:** Sue Simpson, Gwen Getzelman, and Joe Cervantes.

My dearest memories of the school are such treasures that you may be sure that they will be forever with me, to be shared with all those with whom I converse—the first snow which I saw from the typing class window; the gift of a "mum" and Homecoming glory; the thrill of having Shakespeare's words "When icicles hang by the wall . . ." become real, and so very beautiful; the mornings in homeroom with firm voices pledging allegiance; the sweetness of Miss Keeler's welcome, and then your dear warm endorsement of it; the flower from Frostie's crew; and the mangled cat I helped to dissect in Biology, to mention just a tiny few of them.

I'm sure Susie will verify that it falls strangely on one's ears to be called "a foreigner" but a few days journey from home. It is stranger still to realize that one's habits and speech are different and alien. However, I found that it was really "bonzer" to be such a person—who called sweaters, jumpers, and french fries, potato chips; who hadn't eaten hamburgers or corn-on-the-cob; who hadn't seen Chicago or a class ring or a grid-eaten football game; who talked about the "boot" of a car instead of the hood, and thought of Congress as a Parliament. There was always someone to help me, to laugh with me, to offer to take me to Chicago, or a library, or ice-skating, or to just talk.

As I look back now with a thousand new friends and a new family, and with the year's experience behind me, I can smile at my wonder at the "huge" school into which I came at first, fresh from Horsham High's six hundred seventh to twelfth graders. The differences were so apparent at first—the lack of uniform clothing for school, the magnificent gymnasium, and the cheerleading. Soon, though, I was able to find more and more similarities—fun-loving and hard-working students, devoted and kind teachers, and interested parents.

That the brotherhood of nations transcends the sovereignty of nations is the wonderful truth that I have seen verified countless times over. Americans have a fine, intensely nationalistic trait that I admire and respect just as you have understood my pride in Australia. And, hand in hand with this, we have a common patriotism to the world spirit which unites us across ten thousand miles. . . . Lorraine.

The American Field Service Program helps to create world unity through understanding of other people. All human beings are the same the world over, in spite of the superficial differences in customs, traditions, and languages.

I, the second Dundee representative of the Americans Abroad, section of the American Field Service, indeed conclude that it is truly a wonderful experience for young persons to live with a foreign family in order to forge the Bond of Brotherhood.

My sincerest thanks I extend to all Dundee for their help which gave me the opportunity to start a path of hope and cheer, which shall bridge the walls of envy, doubt, and fear. . . . Susi.

Prove that they can meet the test.
The American Field Service aim
Is a goal that all men can acclaim.

Editor-In-Chief

It takes diligence, perseverance, initiative and a great deal of luck to put a well-written, interesting newspaper out on time. The staff of the Alcardee expended the effort required to publish a good newspaper. The unstinting work of a few enabled the school to have some lively reading when the paper came out. Next year's journalism class will profit immeasurably from the experiences of this top-notch staff. It is hoped that the newspaper will expand and become even greater influence in student affairs than it was this year.

Dundee's dramatic season consisted of many fine plays, in which talented students portrayed interesting roles. Interest ran from drama **The Diary of Anne Frank**, to comedy, **The Inspector General**. The play season ended with a medley of three, one-act plays; a drama, a mystery, and a comedy. **Gray Bread**, the contest drama, also deserved high acclaim for its wonderful performance.

The Art Club

The Art Club, under the sponsorship of Mrs. Flowers, is one of our most active organizations. Its activities included sponsoring the Domino Dance, decorating the front windows of the school at Christmas, and helping the senior class decorate the gym for the Christmas Dance. Members held their annual art exhibit in the spring. During the entire year, they made posters for civic organizations in the community. Near the end of the year, the entire club took a trip to the University of Wisconsin to view the art display there. The 1961-62 officers were: Claudia Chastain, president; Arlene Watrous, vice-president; Paul Montgomery, treasurer; Sheila Wood, secretary.

UNCLE HART AND HIS MAD SCIENTISTS

The Alchemy Club

The principle aim of the Alchemy Club, the school's largest departmental organization, is to make a good showing of science projects at the local, district, and state science fairs. Each member in the club must prepare a project for display and must either be currently enrolled in a science class or have completed such a course. Guest speakers at club meetings talk on various new developments in the scientific world. Sponsor of the Alchemy Club is Mr. Hart; 1961-62 officers were Dick Goers, **president**; Sharon Dunkle, **vice-president**; Gabrielle McInerney, **secretary**; and Allan Barry, **treasurer**.

Business Club

The newly-formed Business Club consists of students interested in commercial subjects. The large number of members in this club's initial year promises this organization future successes.

The highlight of the evening was the crowning of Chuck Harp and Kathy Buhrow as King and Queen. All enjoyed themselves at the prom and the post prom party.

The prom is renowned as the greatest of all events during the school year. The post-prom party, sponsored by the Businessman's Club, is a recent innovation that has likewise been vastly enjoyed by all.

Future Homemakers of America

The Future Homemakers of America, under the leadership of Miss Campbell and Mrs. Ohlenkamp, works toward creating better understanding of the family and of school and community living. This organization has accomplished a great deal. Throughout the year, its members continuously displayed their domestic talents by providing hostesses for various school functions, such as the Student Council-Faculty Dinner and the American Field Service Dinner. Selling taffy apples and mistletoe were F.H.A. projects enjoyed by the entire student body. The Future Homemakers of America, concluded a busy year by supplying hostesses for the graduating ceremonies. -1961-62 officers were: Trudy Henk, **president**; Mary Jo Kethcar, **vice-president**; Pap Pappas, **secretary**; and Yvonne Lachel, **treasurer**.

The Inspector-General

The cast of "The Inspector-General," a rollicking satire of corruption in czarist Russia, acted their parts with extra "zip" as they moved through the hilarious scenes. One could see Mr. Anglin's able directing in the parts which had to be funny and serious at the same time.

All right! Pick it up and be quick about it.

Well, you see girls, it's this way.

Now you must understand.

Car-Dun-Al Yearbook Staff

The able yearbook staff has every reason to be pleased with the success of the Car-Dun-Al. Its efforts to add a dash of originality, a sprinkling of style, and a taste of uniqueness have resulted in a fine piece of work. Despite the daily drudgery, the staff put forth that extra effort required to turn out a yearbook of the kind Dundee has come to expect—the best.

Musical Moments

Membership in Dundee's band, under the direction of Mr. Harold Green, results from the culmination of many years of study, practice, and performance. Band members must be adept in their field and adaptable to the group. They must possess not only individual talent but also the ability to blend with the others. The band generates much of the "pep" spirit at the football and basketball games. Its marching and playing in the Homecoming Parade contributed much to the great success of the parade this year. The annual music contests enable the better players to display their ability. Each year many medals are awarded as proof of the students' musical achievements. The annual District 300 Band Festival is a high point in the musical year. Appearances at assembly programs, civic affairs, and the Memorial Day parades in Dundee and Algonquin are other important functions of this very important school organization.

The Junior Class

The class of '63 will look back upon its junior year with many fond memories. We set and successfully attained many goals during the year 1961-62. We enjoyed sponsoring and taking part in many entertaining activities, such as produc-

ing the Homecoming Dance skit. Remember the excitement when we received our class rings! Our many preparations throughout the year—car washes and bake sales—climaxed in our most exciting event—the Junior-Senior Prom.

The Class of '62 . . .

We could long reminisce about the past four years of high school—the glorious dances, the entertaining school plays, the exciting football and basketball games, the festive Homecoming activities, and the many other memorable experiences. There is no doubt that we will always remember our scholastic days; however, let's not

look to the past, but to the future. Some of us will be seeking jobs; others will be going to college. In either case we will discover the great importance of our four years of study under patient, persistent teachers, and the advantages we had at a wonderful school, D.C.H.S.

Athletics

No school year would be complete without a summary of this year's sports events at D.C.H.S. With the numerous victories claimed by our Cardinal teams, we certainly have a story to tell. Although we experienced a few setbacks, our boys and coaches displayed a fighting spirit and the will to win. In football, a hard-hitting varsity team ended the season with a third place position in the conference. Our sophomore basketball team credited itself with only one loss. In cross-country, our runners racked up points, meet after meet; they lost only two. In all conference sports, the Cardinals offered heavy resistance when total victory could not be obtained. Yes, sir, 1961-1962 was a big year for our fine athletes . . .

Cardinals End Great Season

VARSITY FOOTBALL

The varsity team, coached by John Timmerman, Don Anderson, and Mike Jerikian, won four games and lost four games in this exciting 1961 football season.

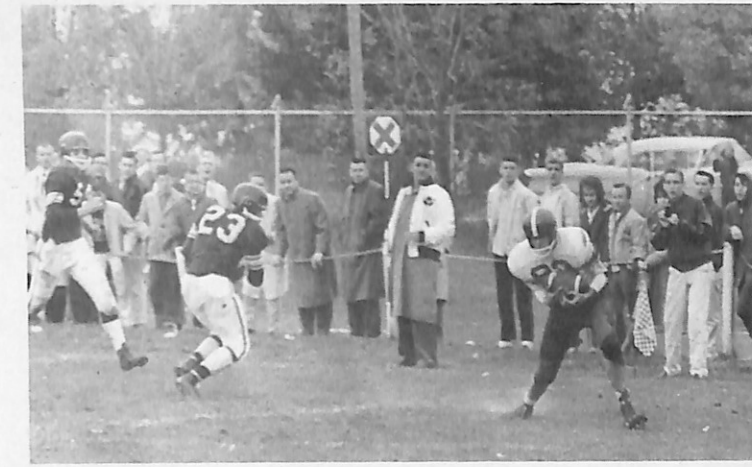

Victories for the Cards included the Dundee-Woodstock game (28-0), the Dundee-Libertyville game (12-6) and the Dundee-Zion Benton game (19-7).

To climax the season the Cards defeated the Barrington Broncos, 18-12, at their homecoming.

Ed Conroy, an excellent leader and superb teammate was elected the most valuable player. Gary Peters and John Mensing were elected co-captains. Although these boys were outstanding players, they couldn't have been so without the help of their teammates.

"Don't let me fall, I'll get dirty!"

"Hang on to that potato, Botts!"

"Get off my back"

"Hey, who's supposed to block him!"

"Which way did he go?"

Twirlers

Led by Sue Brown, the Dundee majorettes put on a fine show at the half-time for this year's football games. Sue Brown and Sandy Redmer also placed at the Band Contest. Our school is very proud of their work.

Varsity Cheerleaders

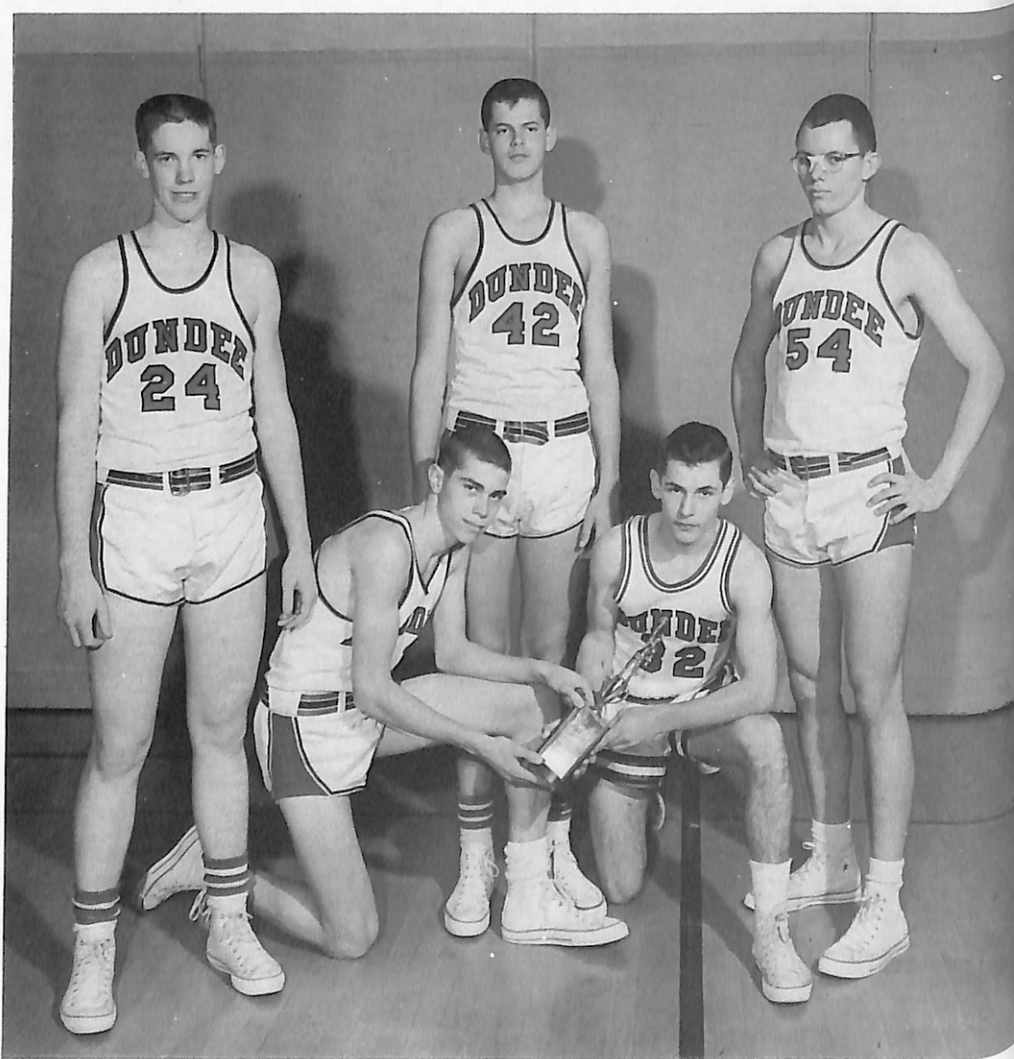

Three Seniors and three Juniors led this year's crowd in peppy cheers to spur the team on to victory. By the look on their faces they seem to be a very happy group.

The Varsity stands behind the jubilant Sophomores, who are anticipating a winning season.

Varsity and Soph Cheerleaders

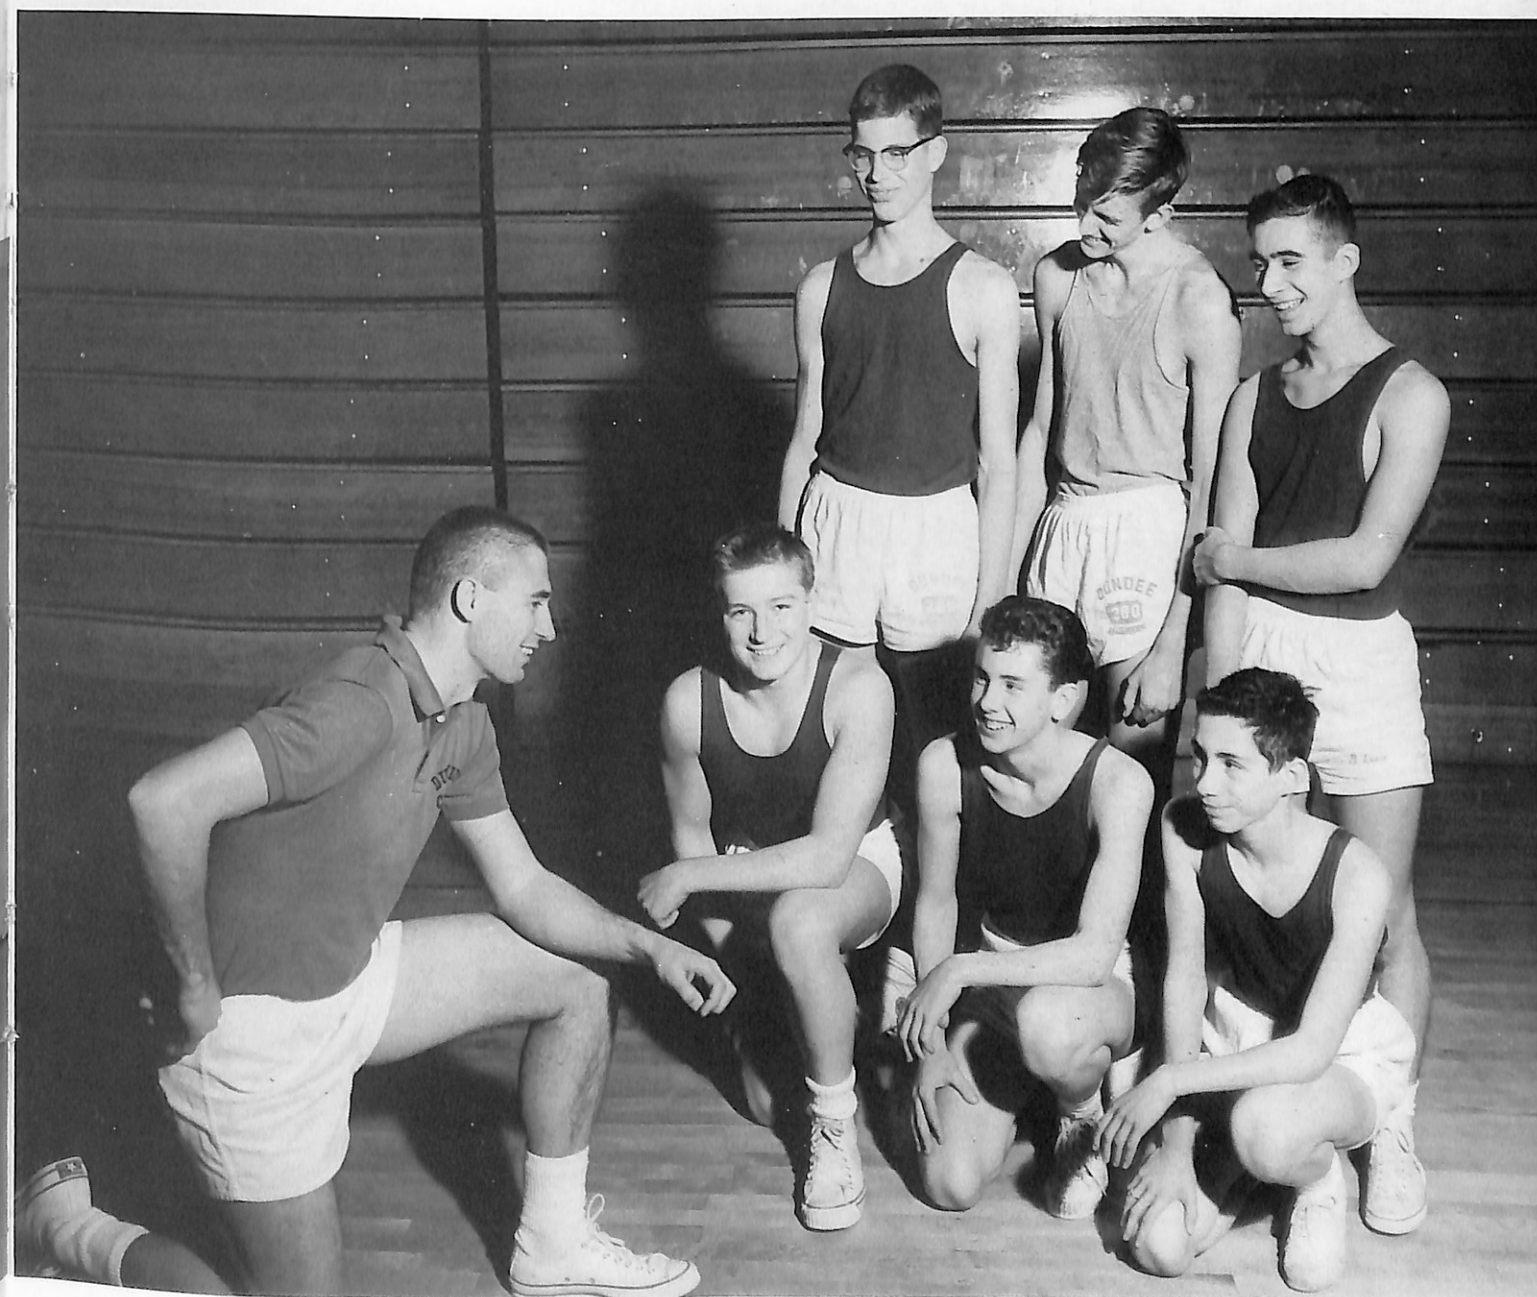

The starting five for the Sophomore squad are proudly displaying the Holiday Tournament Trophy for first place at St. Charles. Coach Paul hopes that these boys will continue to grow, even though they have a good head start!

Cross Country

The cross country team, coached by John Paul, completed a successful season by running up a record of ten wins and only two losses. Dundee took fourth place in the district tournament where they faced the competition of twenty-two other cross country teams. They placed sixth at the St. Charles Invitational, competing with twenty-six other teams.

The seven top runners of the cross country team were: Sarge Farber, Terry Gifford, Tom Mueller, Howie Sund, Ron Clark, Danny Beebe, and Don Mally.

Now listen to me boys!

TOURNAMENT

Dundee 63	St. Edwards	59
Dundee 63	McHenry	64

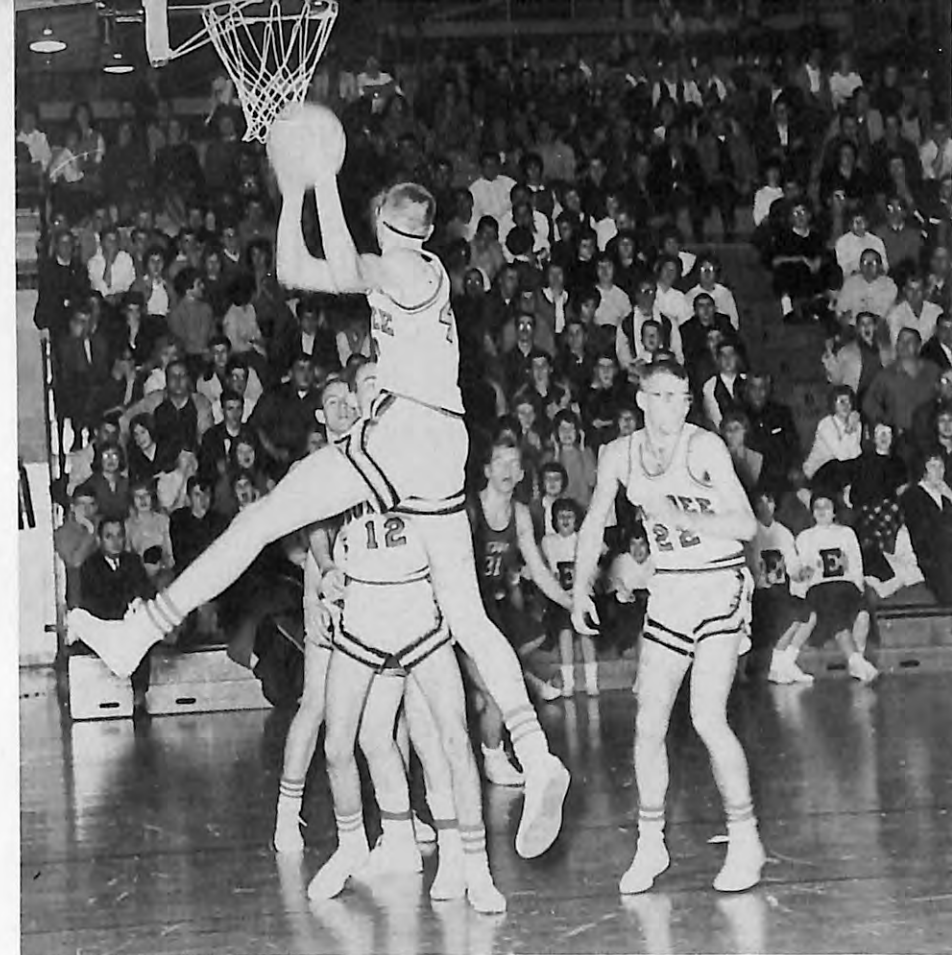

That's my ball.

The 1961-1962 varsity basketball season was one of reasonable success for the Cardinal squad. Although their record of 10-13 found them tied for fifth place in the conference at the season's end, the fact that the team lost to the first, second, and third place ball clubs of the conference by a total of six points is evidence of the Cardinals' spirit and scrappiness.

After showing tremendous improvement in the second half of the season, the team reached the semi-finals of the Regional Tournament, in which they won a clear cut victory over the Green Waves of St. Edwards, and gave an excellent performance against McHenry.

The team made 40% of their shots, led by Carl Poelker making over 50% of his shots from the floor. Carl was chosen most valuable player of the year.

"One, two, three, kick, Wally!"

Track . . . 1961

Dundee's well balanced mile relay team comprised of Joe Cervantes, Richard Van Etten, Jim Jepson, and Dennis Batt, the 1961 track team to a successful season. There were several outstanding individual performers such as Joe Cervantes, Jim Jepson, and Milt Merrill in the sprint; Carl Poelker and Dennis Batt in the weights; Sarge Farber and Ivan Parks as distance runners; Jim Mowen in the hurdles; and Joe Cervantes and Richard Van Etten in the broad jump.

Coached by Don Daluga and Don Anderson, the team improved noticeably as the season progressed. The Dundee Senior High School squad took sixth place in the North Suburban Track meet held at McHenry.

The large turnout for the 1962 squad indicates that the groundwork for a highly successful team was laid in 1961.

The sophomores uncovered some fine potential. Jack Blue, an excellent hurdler, showed great potential at the end of the season as a pole valuter. Larry Alloway, high point man was outstanding as a hurdler and sprinter.

FIGHT FIERCELY, FELLOWS!

WE WANT A TOUCHDOWN!

HE WON'T MAKE A BASKET, BUT HE MAY MAKE A STRIKE.

Gary Peters, Dundee's fireball right-hander winds up to let one go zooming over the plate for a strike. Last year, Gary pitched a no-hit game against Woodstock for one of the many Card wins.
