SCHOOL HISTORY

The original Dundee High School building was constructed in 1872 and graduated its first class in 1874. The original building burned on April 9, 1878 and was rebuilt the same year for \$16,000.00. This building now serves as the administrative offices of Community Unit School District 300.

A new community high school, which is now Spain Center, was completed in November of 1922. The building and grounds which occupy $14\frac{1}{2}$ acres were acquired for \$310,000.00. The first class graduated from this school in 1923 was the fiftieth class in the school history of Dundee.

In 1955, the building which now comprises only part of the Dundee Community High School was constructed. Its first graduating class was that of 1957. Since then the total wing east of the main offices, the new gymnasium, the cafeteria and the auditorium have been added to make the high school what it is today.

Basketball '29

Basketball, is perhaps the most important game of all for the girls. This year as usual there was a large crowd out for practices, which were held twice a week after school. Practice began shortly after Christmas vacation and continued until the last of March.

## BASKETBALL 1937

The Heavyweights had a very successful season as far as records are concerned. They easily won the conference championship with fourteen victories and no defeats. The team then entered the regional tournament at Crystal Lake. They defeated Woodstock in the finals by a score of 38-29. They then journeyed to Waukegan to enter the sectional tournament. By winning this tournament the team was eligible to participate in the state tournament at Champaign. They were defeated by the close margin of one point by Moline.

Blanken was the individual star of the conference, breaking the old record held by both Joe Anniballi and Herb Esh. He was closely followed by Norm Ebel and Chris Hansen. Norm and Chris were both given honorable mention in the state finals.

In a meeting of conference coaches to pick an all conference team, the coaches chose four players of the Dundee team. The conference team consisted of the following: Ebel of Dundee and Welsh of Sycamore, forwards; Hansen of Dundee, center; Spehar and Blanken, both of Dundee, guards.

The second all conference team was made up of the following players: Simonini of Dundee and Coyne of West Chicago, forwards; Lindsay of Sycamore, center; Bell of St. Charles and Hicks of Batavia, guards.

*FIRST ROW: Robert Brown, Kenneth Larson, Hugh Creel, William Simonini, Edward Zamecnik, Robert Swanson. SECOND ROW: Milton Edwards, John Spehar, Donald Blanken, Christian Hansen, Jack Gerdau, Norman Ebel, David Lorenz.*

### Girls' Athletics

UNDER the able direction of Miss Kettering the girls of Dundee High have the opportunity offered them of attending a Gym Class every day. This affords time in which corrective exercises can be taught; which in return serve the purpose of keeping our girls well and healthy.

At the beginning of the year Soccer is played but due to the inclement fall weather a tournament could not be held, much to our disappointment.

When we returned from Christmas vacation the game of Captain Ball, which Miss Kettering introduced last year, was taken up. Spring vacation came too quickly and a tournament was not held. Then at the end of the basketball season we started work on the annual Gym Exhibition which was held May 24.

Baseball came next and the girls entered into the game with sportsman-like spirit.
