# Crown Beats Dundee!

The Dundee-Crown game was won this year by the Vikings with a score of 12-0. Crown's defense gave up only 44 yards during the game. Although the Conference record was 3-3, five new school records were set. Jeff Boyle and Tom Huffman were each awarded the Blue Helmet for outstanding defense performance. Mark Kellar scored 34 points in one game and recovered two fumbles in another. Al White tallied six T.D. passes in a single game. And Joe Gonterman had two blocked punts for the season. Conference recognition went to Mark Kellar, Rick Evans, and Tom Huffman as All-Conference players. Jeff Boyle and Bob Lewerenz were named All-Conference Honorable Mention.

# Juniors — Class of '71

We've made it! We broke through the barrier between the upper and lower classmen and have become part of the varsity! On our shoulders rested the gigantic task of putting a prom together. Somehow we managed. Money, money, money — everything was geared towards money: the raffle, Sweetheart Week, and do you remember the Fun Fair? In spite of the ups and downs, this year has been bearable and just think . . . graduation is only 365 days away.

## “72”

We've just completed our second year of high school. One of our greater moments this year was the declaration of our float as the best of all floats entered in the Homecoming Parade. We started out as a conglomeration of students from various schools and have become a unified class. The future holds scads of fun and many a challenge but we'll meet them with open arms.
